

Knowledge is the strongest weapon in the arsenal against death injury and property loss. Transferring knowledge to the public is the heart of Fire and Life Safety Education.

The Delaware State Fire School Proudly Provides:

Speakers – Qualified instructors to teach Fire and Life Safety Topics

Fire Safety Workshops – Instruction on specific Fire and Life Safety Topics

Fire School Tours – Visit one of the DSFS facilities learning about Fire Training and Fire Safety

Fire and Life Safety Resource Center – Assistance with materials available to help promote the message of Fire and Life Safety.

PROGRAMS AVAILABLE FOR:

**Civic Groups
Schools
Day Cares
Scout Groups**

TRAINING THOSE WHO PROTECT YOU!
