**FSW: Communicating with Children** **December 12**

PRE-REGISTRATION DUE BY NOVEMBER 27, 2009

Visit our Web Site at [www.statefireschool.delaware.gov](http://www.statefireschool.delaware.gov)

## **CLASS HOURS**

Unless otherwise noted on the training announcement Delaware State Fire School classes run from 9:00 a.m. to 4:00 p.m. There are exceptions to this rule so carefully review the specific training announcement. For daytime classes report to the training center at 8:30 a.m. on the first day of each class to allow time for administration purposes.

## **MEALS**

A noon meal will be provided in our cafeteria for daytime classes. All students are required to remain on the training center grounds unless prior approval has been received from the Training Administrator.

## **DRESS CODE**

The Delaware State Fire School, is foremost an educational facility. With that constantly in mind, the dress code is designed to promote a healthy and safe, distraction-free learning environment.

- No shorts or sleeveless shirts
- No flip-flops or open toe shoes
- No bare midriffs
- Visible body piercings shall be limited to the ear
- No dangling earrings shall be worn when performing class evolutions
- No exposed jewelry shall be worn with the exception of wedding rings
- No sexually explicit logos on shirts
- Hats (including bandanas or do-rags) cannot be worn during classroom instruction

The proper dress code for each course, consisting of casual dress, work clothes, or personal protective equipment, will be indicated on the pre-registration information form.

## **PERSONAL PROTECTIVE CLOTHING\EQUIPMENT**

Includes approved coat, bunker pants, boots, gloves, helmets, and eye protection. Appropriate clothing must be provided as indicated on the pre-registration form. The department must provide their members with proper fitting and safe personal protective equipment. Students with ill-fitting and/or improper personal protective equipment will not be permitted to participate in classes requiring personal protective equipment.

# ELEVATOR RESCUE

## PURPOSE

The Elevator Rescue Course is designed to teach the fire, rescue, and ambulance workers to operate safely, quickly and efficiently in the use of elevators during fires or other emergencies. The fire, rescue, and ambulance worker must understand the necessary components and functions of an elevator to insure a successful conclusion in an incident involving elevators.

## CONTENT

Types of elevators, how elevators react to environmental changes, safety features incorporated in elevators and preparing the emergency service worker for his/her encounter with elevator emergencies through field exercises will all be discussed in this class.

## AUDIENCE

This course is offered to all fire, rescue, and ambulance personnel.

## PREREQUISITES

Basic Firefighting Skills

## CLASS LIMIT

The Elevator Rescue Course is limited to 40 students

## TUITION

\$50.00 PER STUDENT (Out-Of-State)

## CANCELLATION POLICY

Cancellations for students pre-registered for a course must be received by the Fire School **no later than noon** on the Wednesday for weekend scheduled classes and **no later than noon the day before** for weekday scheduled classes. Cancellations received after Wednesday noon will be considered “no shows” and will be handled in accordance with the **NO SHOW POLICY**. Cancellations will only be accepted from the Fire Chief or the Authorized Training Officer. A cancellation number will be issued.

# **Fire Safety Workshop: Fire Extinguishers and Fire Behavior**

## **PURPOSE:**

**This series of Fire Safety Workshops is offered to provide continuing education on fire and burn hazards. Information will be provided on factors contributing to fire and burns and preventive measures to follow. Each block of instruction provides in-depth information on a specific fire safety subject.**

## **CONTENT:**

**FIRE EXTINGUISHERS (3 hours) – Most homes and every business has fire extinguishers. Knowledge on how to use the fire extinguisher correctly and safely before a fire incident should be mandatory. The Fire Extinguisher Workshop will include information in the four (4) classes of fire, guidelines in the type of fire extinguisher to purchase and each person will be provided the opportunity to extinguish a small, controlled fire.**

**FIRE BEHAVIOR(3Hhours) – Will provide information to the student on fire behavior and concepts. Some of the topics to be discussed include: classes of fire, products of combustion, heat transfer and flame spread. The student will be provided the opportunity to experience a controlled live fire training session. The session will be under the supervision of trained Delaware State Fire School instructors held in the Delaware State Fire School burn building.**

## **AUDIENCE:**

**The blocks are designed for anyone interested in fire safety education to include, but not limited to, Ladies Auxiliary members, fire company officers firefighters, fire service instructors, fire prevention personnel, school teachers, child care providers, EMS Providers and the general public.**

# Fire Ground Operations – Size-up

## PURPOSE

The Fire Ground Operations – Size-up course is designed to provide the knowledge and skills required for Officers in Charge during the initial employment of resources at an emergency incident. The student will spend the majority of the class performing size-up and deployment tactics.

## CONTENT

*Day one* consists of obtaining basic information, proper incident size-up, placement of resources, strategic objectives, utilization of Brief Initial Reports, assigning of tasks, along with the requesting of additional resources and the Transfer of Command. Also included is the Officer's Responsibility for Scene safety and the use of a Rapid Intervention Team. *Day two* consists of tabletop evolutions. Each student will “command” incidents requiring size up, apparatus placement and assignments.

## PREREQUISITES

Crew Leader

## CLASS LIMIT

70 students

## TUITION

\$100.00 per student (Out-of-state)

## CANCELLATION POLICY

Cancellations for students pre-registered for a course must be received by the Fire School **no later than noon** on the Wednesday for weekend scheduled classes and **no later than noon the day before** for weekday scheduled classes. # **FIRE SAFETY WORKSHOP - COMMUNICATING WITH CHILDREN ABOUT FIRE LEVEL I**

## **PURPOSE:**

This series of Fire Safety Workshops is offered to provide continuing education on fire and burn hazards. Information will be provided on factors contributing to fire and burns and preventive measures to follow. Each block of instruction provides in-depth information on a specific fire safety subject.

## **CONTENT:**

**COMMUNICATING WITH CHILDREN (6 HOURS)** - Young children are listed as a high risk in a fire incident. Communicating With Children Level I is designed to provide techniques which will help you present a meaningful fire safety learning experience for preschool and school age children. Information is provided on the stages of child development, active learning, and presenting a clear, understandable non-threatening fire safety message. Fire Safety messages and related fun type activities on dangers of lighters/matches, self aid, emergency calling, and stop, drop and roll in the event of a clothing fire will be provided.

## **AUDIENCE:**

The blocks are designed for anyone interested in fire safety education to include, but not limited to, Ladies Auxiliary members, fire company officers, firefighters, fire service instructors, fire prevention personnel, school teachers, childcare providers, and the general public.

## **PREREQUISITES:**

None.

## **CLASS LIMIT:**

None.

## **COST:**

\$50.00 Per Student (Out-of-State)

## **CANCELLATION POLICY:**
